ORDER

Consistent with findings made during a hearing held on June 2, 2021, case management order deadlines are amended, *sua sponte*, as follows:

Discovery	October 14, 2021
<i>Daubert</i> and Dispositive Motions	November 8, 2021

IT IS FURTHER ORDERED that fourteen (14) days prior to the expiration of the discovery period, Plaintiff must supplement his pending motion [38] to set aside deemed admissions, addressing therein—with respect to each request for admission at issue—the requisite legal standard for doing so. Seven (7) days thereafter (one week prior to the discovery deadline), Defendants must supplement their response in similar fashion.

SO ORDERED this 3rd day of June, 2021.
